---

PERFOLOG ▪ Lafayette, LA

**TOOL TECHNICIAN**

Sep 2004-Mar 2005

- ❑ Administered various repair processes such as troubleshooting logging tools, computer interfaces, as well as wired and built panels for electric wireline trucks
- ❑ Configured and installed all gauges, encoders, generators, and connectors
- ❑ Worked with Warrior Software in performing daily operations
- ❑ Traveled to various sites to manage cased hole production logging and update wireline trucks with software

---

LOUISIANA TECHNICAL COLLEGE ▪ New Iberia, LA

**INDUSTRIAL ELECTRONICS AND COMPUTER TECHNOLOGY INSTRUCTOR**

Aug 2002-Sep 2004

- ❑ Proactively mentored students on all aspects of electronics, from basic to advanced phases
- ❑ Obtained Digital, Communications, PLC's, Instructor Soldering Certification, and Voice and Data Cabling Instructor Certification

# THOMAS CLARK

Address ▪ Telephone ▪ E-mail

---

CHEVRON USA ▪ Lafayette, LA

---

**MAINTENANCE AND MACHINERY HEALTH COORDINATOR | ELECTRICAL SPECIALIST**

Mar 1988-Dec 2001

- ❑ Managed, repaired, and maintained all aspects of electrical, computer, and mechanical equipment on offshore production platforms and shore bases
- ❑ Provided support and leadership to production optimization team and root cause analysis team
- ❑ Prioritized and enforced API and CFR regulations

---

## CREDENTIALS

---

Completed Coursework in: **RADIO COMMUNICATIONS | DIESEL MECHANICS | ELECTRICAL**  
TECHE AREA TECHNICAL COLLEGE ▪ New Iberia, LA

**Cathodic Protection and Voice and Data Cabling Instructor Certification**  
**Fiber Optic and Voice and Data Cabling Certifications**  
**IPC Instructor Certifications**

---

## PROFESSIONAL TRAINING

---

Digital Techniques | Basic and Advanced Air conditioning  
Solar Technical Training | Solar Saturn Turbine and Solar Compressor Training  
Production System Training | Tenneco Phase Training Program  
Valves and Controllers | Production Safety Systems Training  
Offshore Crane Operator Training | Aids to Navigation Training  
Gas Detection and Fire | PLC Training | Parker PLC | Advanced PLC | Square D Symax

---

## PROFESSIONAL AFFILIATIONS

---

ESCO Institute AC Universal Refrigeration Technician  
API Teche Chapter Division of Production  
Louisiana First Responder – Need Refresher
